Dept 16 Section 3 - 4-H Showmanship & Fitting

Crawford County 4-H Guidelines for Fitting Class

- Clean face – At minimum, all long hairs are clipped.
- Ears – At minimum, there is short and consistent trimming, and the inside of the ears are cleaned
- Body – The body is free of stains, well brushed, clipped as needed with a minimum length of ½ inch right before the show to create a uniform natural look (some need be longer haired than others). Any long hair or stray hairs need to be cut off.
- Tail – Clean up the hairs.
- These are minimum guidelines that all members should work towards when preparing for their fitting class. Exhibitors should ensure they are fitting their pig to make it look its best.
- Judge's decision is final.

- See the Crawford County Fair General Rules in the front of the Fair book on grooming product requirements when fitting animals for show.

Entries for the showmanship and fitting classes will be divided as equally as possible into age groups with about 10 members per class. Either a breeding animal or a market animal may be shown in these classes.
