3. Judges may stop and disqualify any unit that is being operated in an unsafe manner.
4. Refuel only cool engines.
5. No excessive speed in the pit area.
6. All tractors with working PTO must have a shield in place.
7. No riders permitted on any tractor (track or pit area).
8. All contestants must wear DOT approved helmet.
9. Contestant (all but Antique Classes) has seventy-five (75) feet to decide on gear change (only one restart per hook).
10. Antique Tractor contest has fifty (50) feet to decide on gear change (only one restart per hook).

RULES FOR ANTIQUE TRACTORS

1. Open to any farm tractor on rubber tires.
2. No tractor can be newer than 1960.
3. Rear tires can be one size over stock.
4. No engine modifications.
5. Tractor Drawbars must be able to hook to Dyno.
6. Drawbar cannot be higher than 18".
7. Tractors will be weighed in at the Fairgrounds.
8. All decisions of the officials are final.
9. Engine must run at stock RPM.
10. No more than 10 horsepower over original rating will be accepted.
11. Fair start line (restarts) for antiques will be set at fifty (50) feet.

RULES FOR FARM STOCK TRACTORS

1. Contests open to farm owned tractors with rubber tires (No four-wheel drive, dual tires, tire studs, or chains permitted).
2. No cut or otherwise altered tires.
3. Minimum drawbar length 18" from center of rear axle to point of hook. Drawbar to be stationary in all directions and 20" from top of hitching device parallel to the ground.
4. Drawbars must be equipped with a hitching device not more than 1" in thickness and must have a 3 1/2" diameter opening. Pulling point may not be more than 1 1/2" from back edge of the hitching device.
5. No pressurized tanks allowed except LP gas. No oxygen allowed.
6. All radiator fans must have factory shroud (or an approved replacement) in place.
7. All exhausts must discharge upward and be securely attached (no rain caps allowed).
8. No portion of the tractor shall interfere with the sled or sled hitch during a pull.
9. All weights must be safely secured to the tractor.
10. Stock block tractors are tractors having a standard block and crankcase for make and model being entered (Chassis must conform with engine being entered).

11. Tractors being entered in the 5,500 lb. and 7,000 lb. classes will be subject to a maximum four miles per hour limit.
12. Tractors being entered in the 9500 lb., 12500 lb. and 15500 lb. classes may not be operated at over 3,000 RPM. This will be checked and any tractor found to be over the limit shall be disqualified.
13. If (Fair) committee doubts legality of a stock entry, or upon request of another contestant in that class, contestant must verify 150 units of tractor in question have been manufactured (notarized statement from manufacturer), furnish part numbers and prove to the committee's satisfaction that this is a legal entry.
14. No weight-frame or weight may extend 24" beyond front of tractor.
15. Altogether stock tractors must be equipped with a hood and grill.
16. All stock tractors must be equipped with a minimum of one 2 ¾ lb. dry chemical fire extinguisher convenient to operator.
17. Only two people will be admitted free with each tractor.
18. Tough Farm Tractors cannot pull Farm Stock Classes.
19. Farm Stock may jump to Tough Farm Class. Weight differential will be determined if doing so.
20. Tractors are limited to 2 Classes.

FARM STOCK TRACTORS & ANTIQUE TRACTORS OPERATION OF CONTEST

1. Tractors may enter more than one Class, but not more than two Classes.
2. The use of torque converters, automatic shifts, etc. will be permitted during the pull.
3. Operator must remain seated during the pull and must have complete control of the tractor at all times.
4. All pulls must start from a tight hitch - no jerking permitted.
5. Tractors must be stopped immediately upon signal from judge.
6. Tractors must be operated in a safe manner at all times.
7. Tractor may not cross side boundary lines during pull this will result in disqualification.
8. Only one pull allowed each contestant unless tie is declared.
9. The pull shall be considered over when forward motion of the load stops. The judge shall hold hole digging to a minimum.
10. Consumption of alcoholic beverages will be grounds for disqualification.
11. The Fair Board will not be responsible for any accidents.
